

# SCISSORTAIL COURSE

We're proud to welcome golfers back to our fully refurbished Scissortail Course.

Originally opened in 2016 alongside our Redbud Course, Scissortail has always been a unique destination for golfers seeking an elevated and professional golfing experience. Now, the course has been completely reimagined and renovated to create a truly championship-level challenge with member-priority access for those seeking a more refined round.

Like our Redbud Course, Scissortail has been thoughtfully updated to take advantage of the beautiful landscape of the Red River Valley, with special focus on creating a rich presentation with vibrant greens and native plants while still providing a more challenging experience for our players.

Looking for exceptional golf with a focus on high-level play and priority access? Come play on our Scissortail Course and see for yourself the commitment we've taken to ensure you'll find nothing quite like it in Oklahoma.

## COURSE FACTS:

- Designed by D.A. Weibring and Wolfard Golf Design
- Features Tahoma 31 Bermudagrass and TifEagle Bermudagrass greens
- Has playable yards ranging from 4,843 to 7,192
